Motion Made for a New Trial by Counsel for Defense.

(By Associated Press.) WASHINGTON, May 8.—Congressman Lafe Pence, of Colorado, appeared in the police court to-day to make the closing rgument in behalf of the Commonweal leaders, Marshal Carl Browne, "Gen." Jacob Slecher Coxey and Christopher 'olumbus Jones.

His plea proved useless, for all three of the prisoners were found guilty of the first charge of carrying banners. On the second charge, walking on the grass, Coxey and Browne were convicted, but Jones was declared innocent. Coxey, Browne and Jones were re-leased on ball.

A motion for a new trial was at once entered.

Several Populist Congressmen were within the bar, and Mrs. Coxey was present. Mr. Pence said that Coxey came to ask for the enactment of laws which he and thousands of others believe will be of inestimable advantage to the unemployed of the country.

He had some peaceably at the head of an orderly body of American citizens and had as much right to petition Congress as anybody else. District-Attorney Birney followed with a calm discussion of the case.

At 3.30 P. M. the jury returned to the court-room, and at their request Judge Miller read the instructions for the defense to them, after which they again retired.
